

Noah St John

38 Alessio Terrace • Hamilton, NJ 08620 • 609-649-4508 • nstjohn15@gmail.com

Objective

Seeking an internship in the field of civil/structural engineering where I can apply my technical and problem solving skills as well as work with a team on projects.

Education

The Pennsylvania State University, University Park, PA
Bachelor of Science in Civil Engineering

Expected May 2025
Cumulative GPA 2.87

Relevant Project Experience

Penn State Engineering Design Project
Class Team Member (ENGR 100 Class)

University Park, PA

August 2021 - December 2021

- Modeled and created a mock design of a natural gas powered train model that would be much more energy efficient and have less emissions than current trains
- Followed a complete design process that would be used in real engineering application

Work Experience

Primanti Bros
Server

State College , PA

January 2022 - May 2022

- Worked in a fast paced environment where I fulfilled orders and talked to guests
- Served guests food and drinks in a quick and friendly manner
- Maintained restaurant cleanliness and proper set up

Wawa

Hamilton , NJ

Fuel Associate

August 2020 - August 2021

- Ensured customers had quick service and correctly fulfill requests
- Maintained cleanliness of store, fuel court, and all property

Mercer Junior Bulldogs

Mercer County , NJ

Volunteer Coach

November 2019 - March 2020

- Helped coach kids play hockey who have a disability of any kind
- Ran drills and games during practice
- Taught newer players how to skate

Technical Skills

Experience and class taken in MATLAB software

Experience using basic Solidworks features and creating simple designs

Basic Knowledge and experience using AutoCAD

Strong Knowledge of Microsoft Office
