Work Experience:

Junior Architect | Nick Tsapatsaris & Associates, Ridgewood, NJ

April 2021 - Present

Collaborating with Senior Project Manager, Architect, and Engineer

- Assisted on projects which include all landlord work, as well as corporate, retail, education, residential clients, and tenant improvements.
- Partner with Senior Architects producing permit sets, shop drawings, architectural and structural designs.
- Directed construction site as superintendent, assisted in surveying sites, and produced proposals as well as change orders.
- Communicated with subcontractors and clients ensuring satisfaction for all involved
- Developed a working knowledge of leases and lease negotiations.

Education Opportunity Program (EOP) Tutor | EOP NJIT, Newark, NJ

May 2017 - August 2017

Tutoring Incoming NJIT Design Undergraduates

- Understood each students way of learning (Visual, Auditory, and Kinesthetic), through a series of exercises.
- Assisted students with model making, architectural drawings, and using Autodesk/Adobe Suite.

Preparing Tutoring Schedule Reports and Plans

- Designed a work schedule with Excel based on the professors lessons plans and the time given for tutoring schedules.
- Prepared Power Point presentations to showcase major works of architecture or different fields of design

Mentor in NJIT's "Buddy System" | NJIT, Newark, NJ

September 2014 - August 2015

Working With Incoming NJIT Freshman

- Used Outlook to email each student given, allowing for preparations to be implemented before scheduling individual meetings or group meetings.
