Highly creative Mid-Level drafter. Aspiring to become a registered architect in the near future. Seeking a position as an architectural Design drafter with the goal to gain experience to reach my goal of becoming an architect. I have worked closely with registered Engineers companies all kinds of construction drawings/ technical drawings for scaffolding. I'm yet to work under the supervision of an Architect but I am highly motivated and looking forward to do that.

**Experience:**

**Allstate Sales Group Inc.**  
Drafting technician  
09/10/2019 - 03/23/2020

- Developing tehcnical Drawings using AutoCAD & Visio program
- Correcting Drawings as per the PE comments.
- Speaking directly with the clients to make sure everything is done properly in the drawings.

**Synergy Building Consultants**  
Autocad Drafter technician  
05/09/2020 - Current

- Developing construction drawings for Scaffolding: Such as Sidewalk Sheds, Needle Beams, Roof Protection, Pipe Scaffold, and Hoist materials.

**Education:**

# Juan Morel campos Secondary School

High School Diploma

2007 - 2018

# New York City college Of Technology

## Bachelors Degree in Architecture

2013 - 2019

**Objective:**

- Interested in an architect position to properly examine the impact of a building in a particular geographical area.
- Looking for an architect position to employ immense competence in effectively utilizing company's resources.
- To obtain and learn as much as possible from people with more experience in the field.

**Personal Interests/hobbies:**

- Paint balling
- Snowboarding
- Playing video games
- Soccer
- Drawing
- Artificial intelligence
