

Holly Lauzon

SUMMARY

Motivated Civil Engineering student with a concentration in structural engineering. Seeking an entry level position to begin upon graduation. Outgoing and friendly with a strong drive to succeed.

EXPERIENCE

Barton and Loguidice - Intern

Albany, NY • 05/2022 - Current

- Developed preliminary engineering reports for multiple disciplines within the office
- Conducted site visits and constructed existing site condition writeups to reflect the findings
- Assisted in the preparation of NYS Consolidated Funding Applications (CFA's) for grants by drafting responses to the questionnaires and organizing the required documents

Atlantic Testing Laboratory - Intern

New York • 06/2021 - 08/2021

- Tested concrete using ACI standards to ensure the quality of the concrete being placed on site
- Tested the soil density of different construction sites using a nuclear gauge to ensure compaction of different on-site materials

Merrill Engineers and Land Surveyors - Intern

Hanover, Massachusetts • 09/2018 - 01/2021

- Assisted in preparation of permit applications and AutoCAD plans for septic system upgrades and installs
- Researched relevant background information and assisted in AutoCAD plans for surveying projects

EXTRA CURRICULAR ACTIVITIES

- NCAA Division III Track and Field **November 2019-Present**
- Steel Bridge Club **Spring 2021**
- Concrete Canoe Club **Fall 2022-Spring 2023**
