ABOUT ME

I am a student who has strong relationships, is responsible, learns easily and shows that he is prone to teamwork. I have knowledge of MS Office and basic constructions softwares. I want to do successful work in assigned position, using my technical knowledge and skills to achieve the goals of the institution I work for. I want to be an intern in summer to get to know sector and improve my competencies.

WORK EXPERIENCE

08/2020 – 10/2020 – Samsun, Turkey

Intern

Turhalli Engineering

During my internship, I was interested in village projects. I learned how to draw projects and use simple static softwares. I often visited the gallery building site in our city and was interested in work such as ground survey and project reading. The rest of the time I was dealing with documents.

YARIŞMALAR

02/2020 - CURRENT

GoB - Game of Business Yarışması (Kubileya)

- Game of Business is an online business simulation competition. Every task we complete in the competition is evaluated by the jury committee and a sales score is given according to quality of the task. Some companies go bankrupt after tasks, while others go on forward with record sales points.
- In the competition we continue with seven random competitors. We both develop our team play skills and gain different experiences that may be needed in business life. (For ex: Some of skills we have gained; to write a Quality and Assurance Policy and Sales Contract, to create website and manage social media accounts, to prepare Quickwin plan, to search credit information of banks etc.)
