👤 ABOUT ME

Scan/Tap the code to see my profile **Linked** in

I am a curious architect interested to dive deeper into subjects and reach an efficient design outcome. I believe that every outcome requires a rigorous process. I am a determined individual who will take up responsibilities with enthusiasm. I am keenly interested in innovative architecture and my proficiency lies in utilising design softwares.

💼 EXPERIENCE

Graduate Assistant

SoAD, NYIT, New York | January, 2022 - May, 2022
